WORK EXPERIENCE

Arches Bar

Full Stack Web Developer / Media Content Creator

Oct. 2022 – Present

Belgrade, Serbia

- Harnessing an array of cutting-edge web technologies such as **HTML5**, **CSS3**, **JavaScript**, and **Node.JS**, I meticulously engineered dynamic and interactive user interfaces. These interfaces not only augmented customer engagement but also acted as catalysts for substantial business growth. Our user experiences were elevated to unprecedented levels, resonating profoundly with our audience and fostering a robust community of satisfied users.
- I demonstrated unparalleled expertise in creating digital content using **Adobe Premiere Pro**. With a keen eye for detail and a sense of creativity, I meticulously crafted **promotional videos** and **advertisements** for our esteemed clientele, utilizing **Blender** and **Adobe Photoshop**. Additionally, I designed the **logo** and **brand identity** using **Adobe Illustrator** and **Adobe Photoshop**. This approach not only enhanced brand visibility but also served as a driving force for generating significant revenue.
- Furthermore, my ability to effectively **communicate** and **collaborate** with the team enabled the creation of unique user experiences that deeply resonated with our audience, fostering the development of a strong community of satisfied users.

Pinolo

Quality Assurance Tester

January 2023 – June 2023

Belgrade, Serbia

- During my time as a **Quality Assurance Tester** at Pinolo in Belgrade from January 2023 to June 2023, I collaborated closely with developers to ensure the quality and reliability of our applications. By proactively addressing issues and providing feedback for improvement. My efforts helped maintain the company's reputation for reliability and fostered a culture of excellence within the organization.
- Collaborated with developers to ensure **application quality**, ensuring customer satisfaction and contributing to the company's reputation for reliability.

Haridart

Frontend Web Developer

September 2022 – December 2022

Novi Sad, Serbia

- Developed custom **UI** components to improve **website design and usability**, enhancing the online presence.
- In addition, I implemented the **"Dark Mode"** option and fixed other **JavaScript**-related bugs.

Malinoa Montenegro

Content Media Creator / Brand identity

July 2023 – September 2023

Novi Sad, Serbia

- During my time at Malinoa Crna Gora, I was responsible for creating video content in **Adobe Premiere Pro**, designing posts and advertisements for social media in **Adobe Photoshop**, as well as maintaining the website and implementing **SEO** strategy on the **WIX** platform.
